VCF SE 5.0 Consignment Sale Information Sheet

Selling your old computer items on consignment at the Vintage Computer Festival is easy and trouble-free. You just drop off your items on Saturday and come back on Sundy to pick up your money (or your unsold items). We take care of all the details. We take a nominal 10% actual sale price as our commission.

INSTRUCTIONS

Fill in your personal information on the left. Then list each item you are selling including yoru asking price and the minimum offer you are willing to accept. We will attempt to sell the item for as close to your asking price as possible, but we will negotiate with any potential buyer down to your minimum selling price. We will not sell your item below your minimum asking price. Return at 4:30pm on Sunday to receive your sale money and any unsold items.
